

## Code of Conduct

We believe that any person who has a desire to join us and is able to follow the rules and guidelines set by the Order of the Rose and its Officers, should be allowed to join. We believe that there is a place for everyone around our fire. We are a safe haven for outcasts, vagabonds, and misfits who need a family like group of friends. This is the very core of what the Order of the Rose and Terrasyvae is.

Because of that, we expect all of our members to help build Terrasyvae and any of its guilds up. Within the Order of the Rose specifically, we hold our members to the following Code of Conduct:

- Follow all the guidelines laid down by the Order of the Rose and its Officers.
- Play within the rules and respect officers and their decisions.
- Promote the positive aspects of Order of the Rose.
- Encourage participants to value their performances and not just results.
- Set a good example by recognizing fair play and applauding the good performances of all.
- Respect and properly use any and all loaner gear provided by Order of the Rose and others.
- Pay any groups fees for gear rental or events promptly.
- Publicly accept Officer's judgements.
- Use correct and appropriate language at all times. We believe in developing a family-friendly environment for all ages. Language, topic of conversation, jokes, and other public activities should be appropriate for all participants
- Never condone rule violations, rough play or the use of prohibited substances.
- Never punish or belittle a participant for losing or making mistakes.
- Members are not allowed to consume or participate under the influence of alcohol or illegal/illicit drugs of any kind in or around the venue or whilst participating in group activities.

Every member of the Order of the Rose must fill out and return a completed Code of Conduct & Accident/Injury Waiver form before being allowed to fence. Guests from outside the Order need to provide proof of competency via authorization cards from HEMA or the SCA before they will be allowed to fight with the Order. For safety, members who wish to participate in fencing must be at least 14 years old. If you have not filled out a Waiver or need to update your waiver, please use the link below or ask an Officer for a copy.
